Rich Stonecypher

Camp Gunnison—The Way Family Ranch

Rich Stonecypher spent many of his early years on the Great Plains of North and South Dakota.

He has many life experiences working on farms and ranches alongside unique, hardworking individuals in all kinds of extreme conditions. These experiences have given him a perspective on life that we just have to do what needs to be done when the need arises.

Rich graduated into the Nineteenth Way Corps and has served in many areas of the ministry from the Northeast to the Rocky Mountains. At the Way Out West Camp, Rich will be sharing on:

“Do What Needs to Be Done for God”

Mr. and Mrs. Geoff Fuerte-Stone

Camp Gunnison—The Way Family Ranch

Geoff and Treasa met and married while serving in the military. This is where they really got committed to the Word. Their service continued after they exited, at which time they got more involved in the ministry.

Their call to be ministers was heard early on, and they went through The Way Corps training with their four children, graduating in 2009. They have served in many places, willing to take on any assignment. Adventure and willingness to share their lives are staples for them. Their unique perspective adds color to the Word that they share, so you will not want to miss this. In this camp, they will be sharing on:

“Living Each Day with Courage”

“Riding for the Brand”

Joseph Latta

Joseph was raised in the Word in Cleveland, Ohio. Later, he lived and served at The Way International Headquarters for a number of years, and he graduated into The Way Corps in 2019, accepting his first Way Corps assignment at Camp Gunnison. Joseph loves exploring God’s creation in the great outdoors. He and his wife, Audrey, love to serve with the household as God opens doors each and every day.

His love for God and His Word equips him to minister in any situation. In this camp, Joseph will be sharing on:
